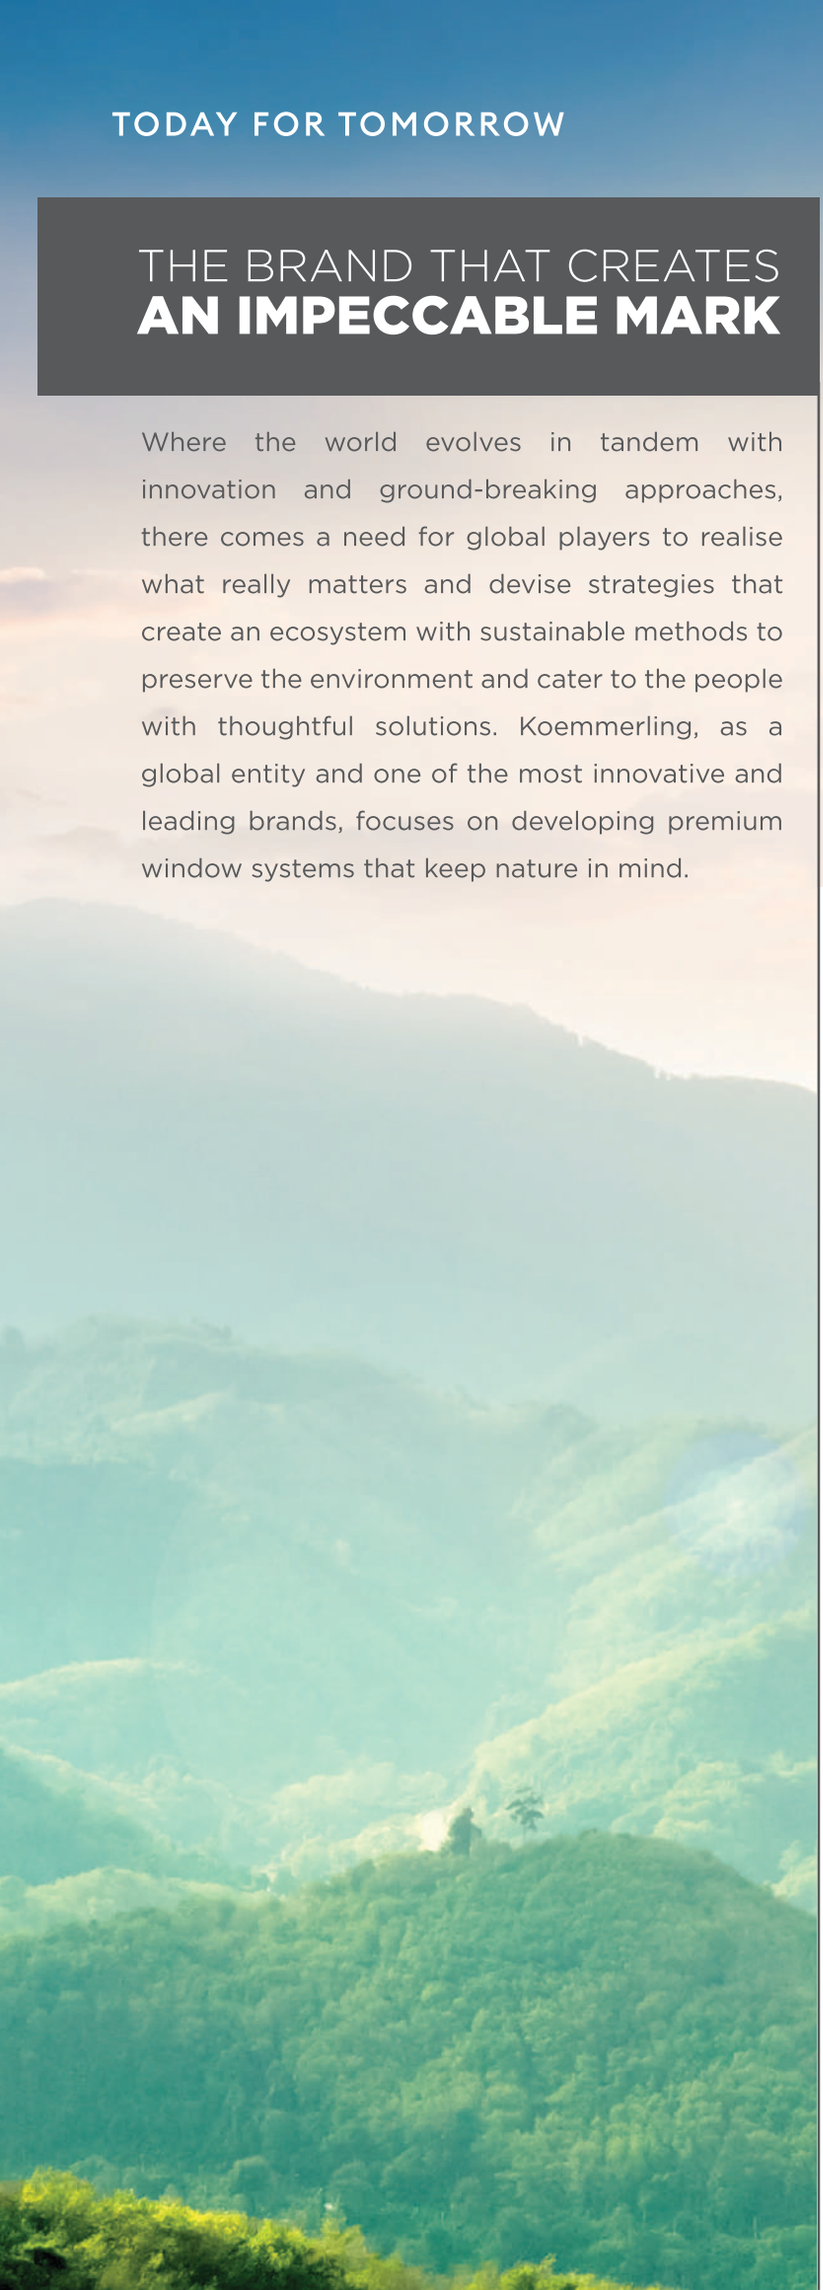
Kömmerling®
TODAY FOR TOMORROW

SHAPING CHANGE TOGETHER

WORLD'S LEADING BRAND OF SUSTAINABLE WINDOW & DOOR SYSTEMS.

THE BRAND THAT CREATES **AN IMPECCABLE MARK**

Where the world evolves in tandem with innovation and ground-breaking approaches, there comes a need for global players to realise what really matters and devise strategies that create an ecosystem with sustainable methods to preserve the environment and cater to the people with thoughtful solutions. Koemmerling, as a global entity and one of the most innovative and leading brands, focuses on developing premium window systems that keep nature in mind.



TODAY FOR TOMORROW. IT'S WHAT OUR BRAND KOEMMERLING STANDS FOR.

Dr. Peter Mrosik,
Owner and CEO, profine Group

'Living up to our responsibility means protecting the future. Our goal is to create a sustainable loop for high-quality products made of synthetic materials. We're developing the right solutions today for tomorrow's world and future generations.

As determined and ambitious doers, we have the strength and the will to deliver positive change in everything we do. But we want to be more than a pioneer. We want to be a role model for others. A role model for anyone who – like us – feels equally committed and capable of rising to this major challenge. Taking action today and making the right decisions for tomorrow is at the heart of everything we do.

We're making this commitment clear to the outside world with a completely new brand identity featuring a new design, a new logo and a new slogan.

Today for Tomorrow is what our brand Koemmerling stands for.'

Kömmerling®

THE KOEMMERLING **EDGE**

At Koemmerling, we're not just making windows and doors but crafting a sustainable future for the generations to come. We take pride in our efficient R&D techniques to develop country-specific systems using state-of-the-art extrusion facilities comprising advanced extrusion machinery and tooling as per International quality standards. With a consumer-centric approach, we focus on creating window and door systems made from international quality standards, making them a league apart from other players in the market.

QUALITY

- DIN, BSI & EN certified UV stabilized with 10 years warranty certificate
- Landmark & internationally acclaimed installations pan India
- The most preferred & specified German brand by architects

WORDS OF
APPRECIATION

Witness for yourself what our customers have to say about our uPVC windows and doors solutions.

"It was my architect who insisted on Koemmerling. But I was convinced only after finding out more. The quality, industry-best features, and innovations like greenline make Koemmerling stand head and shoulders over other brands."

-Aditya Phukan

"I am very satisfied with the quality and appearance of Koemmerling uPVC doors and windows. I wanted something that matches the aesthetics of my home, and has superior quality. What makes these windows even better are the features like sound insulation and protection from dust."

-Jaya Iyer

"After using Koemmerling for over a year, I highly recommend these windows. Their soundproofing and water resistance actually work. Despite overlooking a very busy road, my house is peaceful and also water doesn't seep in during lashing rains."

-Kavitha Padiyoor

"Koemmerling windows and doors are value for money. But I found them so advanced and technologically superior that it was worth every rupee. I am glad I chose Koemmerling."

-Prashant Sharma
