2,425 years of business partnerships: profine paying tribute to 87 customer companies at Fensterbau Frontale

For the second time, Dr. Peter Mrosik took the opportunity of the Fensterbau Frontale trade fair for a big customer anniversary celebration. The owner and CEO of profine personally thanked 87 customer companies with a total of 2,425 years of partnership for their loyalty to the systems supplier.

"We really do appreciate the trust of our customers. In our fast moving times, long-term and loyal ties to a business partner are rather the exception than the rule", Dr. Mrosik said during his speech on March 23, 2018 at the profine stand in Nuremberg.

Manufacturers from 10 to 50 years of partnership with one of the profine brands KBE, Kömmerling or Trocal were honored. The anniversary customers came from a total of 26 countries.

"Only our customers make us what we are," Dr. Mrosik emphasized. "Your partnership with profine is a personal honor for me and I look forward to many more years of joint success."
